### START TALKING

- Can you think of a time when you didn't tell the truth and someone found out?
- What happened and how did it make you feel?
- When you didn't tell the truth, how did that impact your relationship with God?

### START THINKING

In a culture where people say, "Find your own truth," it implies there is a unique and individual truth for every single person. But, that's not what scripture tells us. Scripture states there is an absolute truth that all people must know and build their lives on. That truth is revealed to us in Jesus who loved us and came to us so that we would know the truth and be set free by it.

- How do you discern between the Spirit's leading and human leading?
- What does sanctification mean? How are we sanctified by the truth?

### START SHARING

Lord, help me build my life on your truth. I confess these false truths that I have been holding on to:

---

Holy Spirit, guide me in the truth. In Jesus name. Amen.

 **START DOING**

This week meditate on and memorize John 14:6, "Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."
